The University of Copenhagen and all of its six faculties have since 2013 offered Massive Open Online Courses (MOOCs). It is our belief that the new technologies and rapid innovation within online learning will ultimately lead to better education – not just for the University’s many thousands of MOOC learners, but also for the students enrolled at the University of Copenhagen.

Top 10 countries

1. USA 21.8%
2. India 5.4%
3. UK 5.1%
4. Brazil 5.0%
5. Canada 3.6%
6. Mexico 3.0%
7. Spain 2.8%
8. Egypt 2.6%
9. Germany 2.3%
10. Denmark 2.3%

The learners

- 43% between 25-34 years old
- 35% students
- 45% full-time job
- 76% longer education

Learners who completed the course: 9.2%
Learners who accessed more than 75% of the course content: 13.1%

Average rating: 4.66
Coursera avg. 4.66

Enrolled learners on coursera.org/ucph

- 16 courses
- 550,000+ enrolled learners
- 250,000+ active learners
- 30,000+ course completers
- 5,000+ paid for certificate
